# Théo PASCOLI

## GAME DESIGNER / LEVEL DESIGNER

### Looking for an open-ended contract

## CAREER PATH

I'm a recent graduate of Bellecour Ecole in the field of Game Design and video game conception. I also have a baccalauréat STI2D (Sciences et Technologies de l'Industrie et du Développement Durable) in Digital Information Systems, Audiovisual Cinema and Media. I recently completed my Bachelor's degree in Game Design and am currently looking for work experience in the sector. I'm passionate about competitive sports like tennis, which I've been playing since I was very young.
